
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.fbg.com](http://www.fbg.com) or call 1-855-495-1192. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/>.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<b>\$6,000</b> per person / <b>\$12,000</b> per family for Network Providers; <b>\$10,000</b> per person / <b>\$20,000</b> per family for Out-of-Network Providers.	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
Are there other <a href="#">deductibles</a> for specific services?	No	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<b>\$6,000</b> per person / <b>\$12,000</b> per family for Network Providers; <b>\$11,000</b> per person / <b>\$22,000</b> per family for Out-of-Network Providers.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family out-of-pocket limit has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, <a href="#">balance billing</a> charges, amounts over <a href="#">UCR</a> , cost containment penalties and <a href="#">excluded services</a> .	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	<b>Yes.</b> See <a href="http://www.mycigna.com">www.mycigna.com</a> or call 1-855-495-1192 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's charge</a> and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your provider before you get services.

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
